REGISTER NOW!

Join two remarkable business owners who will share their wisdom on how they maintained a sustainable business beyond 25+ years! They will reflect on traits and qualities that shaped their sustainable success. If you are starting a business or has an existing one, this event is for you to learn from women with years of seasoned experiences during good and bad times. Each has built a sustainable business, and

You Can Too!

JEANNIE QUICK owned and operated **Silver Shears Hair Salon** for 26 years. She later expanded her professional journey and has spent the past 24 years as a self-employed **Real Estate broker**. She will share insights from her experiences on recognizing opportunities and building new career paths along the way.

DEBRA BARNARD and BRAD are the owners of **Attitudes & Images**, a full-service hair salon created in 1988. They took pride in raising their family and starting a new business. In 1995, they expanded and renamed the business to **Renaissance Salon**. Debra will share insights on what it takes to build and sustain a business for 38 years.

Jeannie and Debra will share their wisdom on what it takes to maintain business sustainability!
